Monthly Membership Newsletter

August 2020 Edition

A Message from the SBRGC President

South Bay Rod & Gun Club is still working to keep up with rapidly changing regulations and orders regarding the Coronavirus (COVID-19). For the most up to date information, please visit the club's home page at: www.sbrgc.org which will indicate when things change. As a Club, it is our intent to keep our members and the public safe.

Annual Dinner has been cancelled until further notice. The uncertain conditions due to COVID-19 prevents us from making any plans for an annual dinner at this time.

The Newsletter section on the web page will be increased to provide a history of Newsletters from years past. (Years past will be determined by what we have in electronic form). Mail out Newsletters has stopped effective 1 Aug 2020 due to the printing fees and mailing fees for so few Newsletters.

Wearing of Masks is mandatory when you are within 6' of another individual. When you are shooting at your assigned spot you can relax your wear of the mask if you so choose, but once you depart your shooting spot you need to have the mask on. This allows others to move more freely behind the red firing line. RSO's will be enforcing this rule as it is intended to keep everybody safe from spreading the virus from one individual to another individual.

Standard Operating Procedures (SOP) Notice: The SOP must be followed by RSO's, Members and Guests. Not following a rule in the SOP may result in termination as a member of the club. These rules are to protect the Club and Members. If you have a discrepancy with the SOP please contact Business Manager at 619-987-9096 or Chief Range Safety Officer at 619-458-1962.

You are all invited to attend the WORK PARTY on Aug 1, 2020 and then enjoy some shooting in the afternoon. The work will be at both the Range and Ranch. Just email me at president@sbrgc.org so we can ensure we have ample food and dessert. Start time 7:30. Social Distance rules will be followed so bring your mask.

Some of the scheduled work includes:

- Shooting Table Refurbishment by Quonset Hut
- Electrical work by Main Gate and Maintenance Yard
- Water Building (Range): Expansion of the Non-Potable Back-Flow device to include the lower pad by the main gate.
- Reworking the inside of the old tool room.
- Tree/Weed trimming at the Ranch
- Welding on the Sales Enclosure & repair of some target stands.
- Tractor work at the range (maintenance yard) & ranch (ground clearing & back fill of the sewer trench).
- Setting up the maintenance yard as we start to close down the Quonset Hut work zone.

Range/Ranch Development is currently working or tracking the following main projects:

- ◆ Range Water System. Water well permit modifications has been submitted to the county and we are currently waiting for response. If approved we will be working on the water system installing a filter system at each sink. More news to come once the county responds.
- ◆ As it sets right now there is not enough time to drill the well and complete all the testing required to allow a new well to be connected to our existing system by the end of Sep 2020.
- ◆ Range Complex Hazmat Assessment

Recent Work Accomplished by the work party.

- ◆ Cleaned up the area around the Quonset Hut
- ◆ Started working on the Shooting Tables (ones that were removed due to COVID-19) so they will be ready when the COVID-19 guidelines are relaxed.
- ◆ Cleaned up the weeds around the Range 6 parking lot and along side the road from Range 5 to Range 6.

We are down 2 RSOs on the following day:

1st Saturday

Weekends have become very busy and a great money maker for the Club. If any RSOs can add one of these days to their schedule, it would be greatly appreciated. If you are working on a crew that has enough RSOs and you would like to transfer over to one of the days we are short, that would help also. Please call me if you can help.

I have been getting calls about the NRA RSO training class we give. The class has been temporarily suspended because of the COVID-19 outbreak. Please check the website under RSO Training for the latest status. Finally, please be diligent in following and enforcing the new COVID-19 Safety rules. I've had a few complaints that people are violating the social distancing and mask wearing rules.

Thanks,
Bailey Hom
